

Free Delivery and Pick-up

MLD provides free delivery and pick up of rented equipment orders over \$100 in our service area during normal business hours as our schedule allows. Schedule your delivery or pick-up as far in advance as possible; free delivery is available on a first-scheduled/first-served basis. If we do not have a truck and driver available for your normal business hours delivery, a courier service is available on a pay-as-charged basis.

Normal business hours are 8:30am to 6pm Monday thru Friday.

Our local service area is a 50 mile radius from downtown Dallas. Rates are available for deliveries beyond our 50 mile radius, please inquire.

As a general rule, we do not pick up equipment that belongs to other vendors, or was not originally coordinated through MLD. Special arrangements can be made if space is available and with advance permission from the vendor.

Orders Under \$100, Before/After Hours and Special Delivery Rates

After hours pick-ups and returns to our offices, as well as other special deliveries are categorized several ways depending on time and the number of people required. Refer to the table below for pricing.

Pickups and deliveries requiring 2 trucks or vans are considered 2 person deliveries, as well as are deliveries that require 2 persons, but only 1 vehicle.

DELIVERY TYPE	1 PERSON	2 PERSON
Normal Business Hours/Over \$100		
Monday thru Friday 8am – 6pm	Free	Free
